Advanced Contextual Therapy (30 hr. total) <i>iLOC & Onsite</i>	15	15			15	30

Note: This chart provides information for our annually scheduled courses. For credit information concerning one- or two-day seminars, please see the brochures for each seminar.

* All APT Play Therapy Credits may also be counted as APT Mental Health Credits.

** Approval for CEs by the Pennsylvania Board of Social Work Examiners (LSW, LCSW, LMFT, & LPC) is renewed each year. We are able to assist participants applying for individual CEs for other states by providing the necessary documentation. We have not yet received a decision from the board concerning whether training received through our unique **iLOC** (Interactive Live Online Classroom) will be counted as live or online credits.

*** The Contextual Therapy Certificate Program is operated by the Family & Play Therapy Center under the supervision of a board of senior contextual therapists. In addition to the courses included in this chart, we regularly offer one- or two-day seminars with guest presenters that count toward earning the certificate

† Either the 18-Hour Course or the Concepts Course will satisfy the prerequisite for the Advanced Child Development Course. We recommend taking both courses.

†† Level I and Level II of Sandtray/Sandplay Training may be taken in either order.
